

Lucrand in spitalele de pediatrie din Romania

Creator: Michaela Zebedin
EVS volunteer 2009/2010

Spiatalul Grigore Alexandrescu din Piata Victoriei

orthopedic section

age group: 3-17

working place: room

children are imobil

1st thing to do →
speak with a nurse

Spitalul Marie Curie- Budimex Berceni- Bd C-tin Brancoveanu

blood cancer

age group: 4-8

working place:
the hall of the section

1st thing to do →
speak with a nurse

Lacul Bucura

lung problems - tbc
hospital / internat
age group: 0-18
children are mobile
(garden)

Why do we go there?

- For children and parents
- Forget daily life
- Psychological support
- Hospital = stop of school → educational support

**The hospital is
NOT
a playing ground!**

Respect the RULES!!!

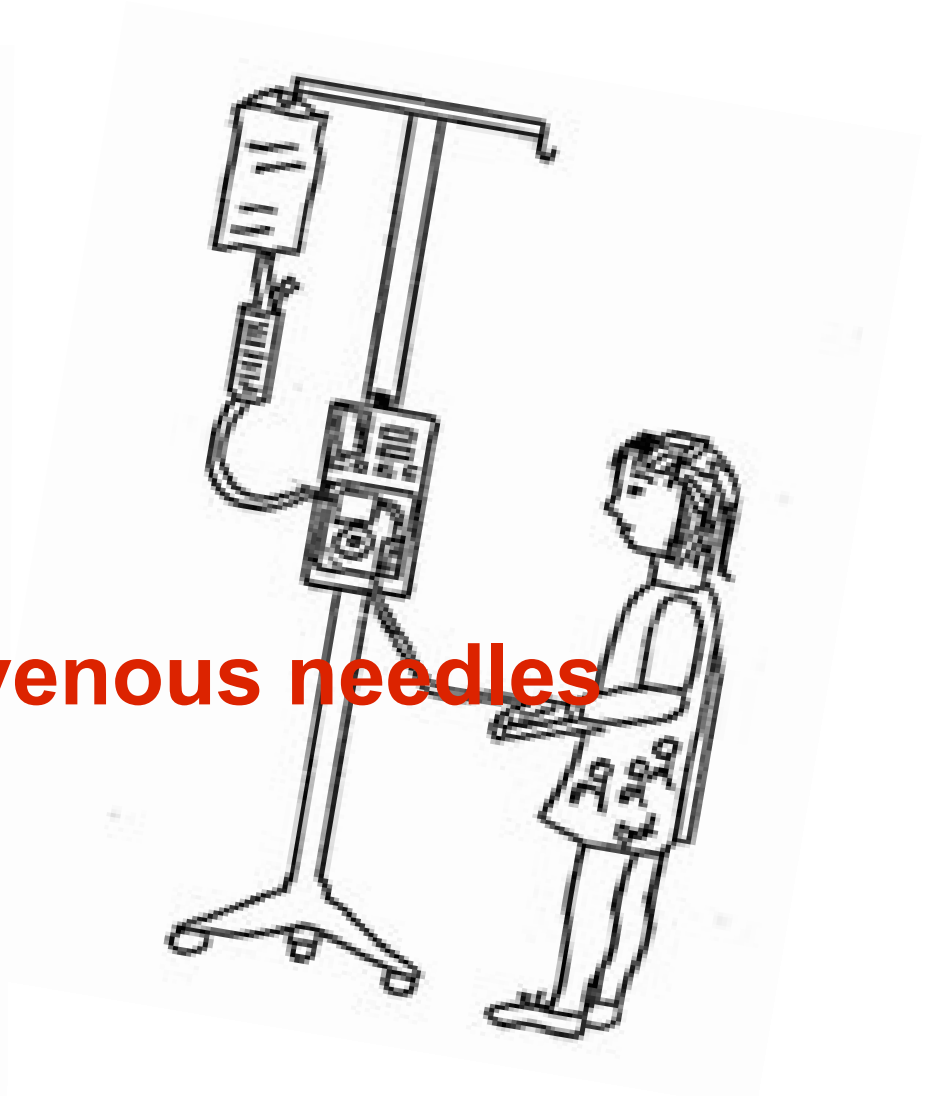

Basic rules

- Signs of infection → **STAY AT HOME!!!!**
 - coughing, rinning nose, sorethroat, diarrhea, swollen lymph nodes,.....
 - **DANGER!!!**
- Turn away your head when a child is sneezing

Basic rules

Basic rules

WHO ARE YOU?!
WHAT DO YOU WANT?!
&
WHY?!

Politeness

- introducing oneself
- leave place clean

Basic rules

Chronicle / Chris Stewart

Accidents and what to do?

small objects!!!

allergies!!!

sharp things!!!

→ call a nurse / doctor!!!

Psychohygiene

Ce facem?!

special events

teaching

workshops

playing

origami

speaking

drawing

singing

puzzles

You can think about....

mobility

inside & outside

different age groups

games in group and alone

Material

Laculbucura: cupboard

Alexandrescu & Budimex: prepare your bag

Take care & take an order in your material

New material → Stefanita & report

New ideas?! → think of robust material

Ask for workshops!!!

Balloons

Face painting

Origami

Juggling

Art therapy

Hand puppets

.....

HAVE FUN & ENJOY!!!
